Item Details:

This semi-ethnic magenta, off-white/cream and gold card resembles loosely a classy saree border. The card features a pretty gold ink borders and floral motifs at the center. The card opens up to reveal the card like a saree border. The card has a semi-ethnic magenta border and a semi-ethnic magenta text. The front of the card is embellished with a gold zari border to open the card with ease. The simple off-white cover reflects the modern card border in gold with a filling like a saree border. This card is ideal for small weddings and other occasions like receptions, engagements, ear-boring, sash-bearings, naming ceremonies, house-warming, etc.
